

# Portfolio Worksheet

Write yourself a compelling intro (1 sentence or so)

Start by sharing your name, who you are, and just enough about yourself to get us intrigued.

---

---

---

Now, tell us something about yourself that is a little fun (1 sentence should do ya)

Share something about yourself that makes you relatable (it doesn't have to be work related).

---

---

---

List your skills (3-6 skills is about right)

Start with a list of your fantastic skills and then make sure to call out the areas you want more experience in.

When you are all done your site might look like this:

Hi! my name is Jubilee and  
I'm an Illustrator that loves  
bright contrasting colors.

I'm living it up in Santa Fe, NM with my dog Charlie.  
Working hard to meet my new year's resolution of trying  
every foodtruck in town.

My Skills: Web design, Usability, Illustration, HTML & CSS
